**Membership fees**

Our annual membership fee is £8.00 for a family and is due each October. The fee is designed to cover the basic costs of our meetings, such as the use of the room, paperwork, copying and a newsletter. Refreshments are provided and these together with room hire and running expenses are paid for by your donation of typically £1 at each meeting

**Meetings**

Our meetings are held on the first Wednesday of each month. They are designed to be informative and helpful. We aim to have visits and talks from local professionals but also to have a friendly relationship where we help each other.

We have two important points to make about the Group and our meetings:

1. We have no medical qualifications amongst the Group members
2. We trust that the conversations between Group members remain completely confidential to the Group meetings.
